I will arduino programming project development at a perfect price

Total price

Ordered by vernicagoel (view history) Date ordered 16 Apr 2024, 23:13

US\$74

Order number #FO61E95202704

Working prototype (Not an end user product) for the scenario,

1. A person falls on the bathroom floor. 2. He screams the word 'help' or 'Red'. 3. A system picks the word 'help' and sends a notification to the emergency contact. 4. The bathroom door is unlocked once the system is triggered. 5. Vibration introduced to the bathroom floor

- The software will be delivered.
- The system will be shipped to the customer.
